

RUN FOR OUR HEROES

Saturday, May 7, 2011, 12 Noon, UR to Capitol Square

Honor 9/11 first responders, see the Patriot Flag, and support the Commonwealth Public Safety Memorial!

On May 7, the Patriot Flag will visit Virginia's State Capitol as part of a 50-state tour in memory of those who lost their lives on 9/11/01, which will culminate with a ceremony in New York City on the tenth anniversary of 9/11. The flag sends the message, "United We Stand: We Have Not Forgotten."

Secretary of Public Safety Marla Decker and Virginia Public Safety Foundation (VPSF) will sponsor a memorial run to honor the victims of 9/11 and those who have lost their lives serving the citizens of Virginia, who will soon be honored by the Commonwealth Public Safety Memorial at Capitol Square.

The 10k run will start at the University of Richmond (UR) and end at the State Capitol in time for the Patriot Flag Ceremony at 2pm on May 7. Run for Our Heroes is a group run, not a race. VPSF will provide t-shirts for all runners. Water will be provided after the run, along with shuttle service back to UR.

Please join Secretary Decker and VPSF in honoring all of Virginia's public safety heroes!

For more info or to register your group, contact Deputy Secretary of Public Safety John Buckovich at john.buckovich@governor.virginia.gov

There is no charge to participate, but run is limited to 300. Register by April 22 to receive a t-shirt.
